Calvary Christian Academy VIP SUMMER CAMP 2024

VERY INSPIRATIONAL PROGRAM

MONDAY, JUNE 3 – FRIDAY, JUNE 28

At VIP we offer a safe environment for children, who will be entering the 1st through 6th grade, to learn and grow. The campers will be under the direct supervision of CCA staff who will instruct and encourage them as they have a blast on their summer break. They will receive individualized instruction, and days packed full of action and adventure. The elementary program will help your children maintain their reading and math levels as well as avoid the dreaded “summer brain fade” that befalls other children who watch too much TV and don’t engage themselves in positive endeavors! Each week will be filled with fun physical activities as well as engaging classes in Bible, Math, Reading, and Science.
