## SCHOOL HISTORY

**Calvary Christian Academy** was founded in 1987 and is a ministry of Calvary San Diego. This year, we celebrate our 20th Anniversary at this location. **CCA** is a private Christian school located in Chula Vista, California. It is a Pre-K through 8th grade school with a population of approximately 470 students.

## MISSION

**Calvary Christian Academy** exists to educate thinking disciples who seek truth through an ongoing, interactive, relationship with Jesus Christ. CCA is dedicated to the **spiritual, academic, physical and social** development of the students it serves. CCA seeks to honor God by providing a solid liberal arts education, taught from a biblical worldview.

## EDUCATIONAL PHILOSOPHY

**Calvary Christian Academy** exists to help prepare children to be disciples of the Lord Jesus Christ. CCA seeks to honor God by giving our students a quality education designed to show that man's knowledge is a reflection of God's plan. CCA will honor God by instilling a desire for and love of Christ in each student so he/she will want to exemplify Him in all areas of life.

**Servant Leadership** is exemplified by the staff who is led by invested leaders from both the School and the Church. The faculty and staff endeavor to participate in the life of each student: encouraging spiritual growth, providing quality academic instruction, maintaining a safe environment and offering social and emotional support. Staff members serve the student body as stewards of Christ in many areas such as coaching sports, academic tutoring, and helping students who may need counsel or guidance. CCA students are given the opportunity to serve each other, the staff, and the community at large.

**CCA** offers a safe learning environment where the invested leaders pour into the students' life, instilling values using innovative academic programs, but filtered through a Christian Worldview.

**CCA** serves the community in the name of the Lord Jesus Christ by providing loving Christian care and high-quality Christian education for children of parents that desire a Christ-centered education. In turn, as a school, we serve others through various outreaches locally and abroad.

## ACCREDITATION

**Calvary Christian Academy** Pre-K through 8th-grade is fully accredited by Western Association of Schools and Colleges (WASC) and Association of Christian Schools International (ACSI). **CCA** is registered from K through 8th-grade with the California State Department of Education. **CCA** PK2 through PK4 operates in accordance with childcare licensing standards of the California Department of Social Services and is accredited through the Western Association of Schools and Colleges (WASC) and Association of Christian Schools International (ACSI).

## ADMISSION

The **Calvary Christian Academy** Admission Committee evaluates each student on the basis of a formal application, previous school records, test scores, recommendations, and a personal interview with parent(s) and student.

## CURRICULUM

**Calvary Christian Academy** prays, plans, and executes a series of policies and procedures that result in academic excellence. We backward map both college and career readiness standards and biblical standards from 8th-grade down through preschool. CCA students are provided with a full educational curriculum developing the spiritual, mental, social, and physical facets of the student's personality and character – thoroughly equipping them for every good work. To accomplish this, CCA stimulates the student's mind and body and encourages students to be disciplined in their spiritual and social growth. CCA is committed to providing opportunities for students to make the best use of their gifts.

## ATHLETICS

**Calvary Christian Academy** participates in athletic competition sports with other schools in the area. The official school mascot is the Royal Knight.
